Cloze Passage 1

Name _____ Date _____

Thor

Many years ago during the dark ages, people told stories called myths.

One of those myths is about Thor. Thor was the god of thunder, lightning, and storms. Thor was big and strong. He could hold a bolt of thunder in one hand and a hammer in the other. His job was to protect people.

If someone was in danger of being hurt, he would hurl his bolt of thunder at the evil offender. He never shirked his duty to others.

The people in Norway liked Thor so much that they named a day of the week for him. It is Thursday, or Thor's day.
