Words that have more than one syllable and end with the /k/ sound are spelled with c at the end.

## Lesson 74: Spelling with -C

Most of the time when there is a multi-syllabic word ending with the /k/ sound, the end sound is spelled with a c. Exception: *attack*.

Prove and read the following words. The first word has been done for you.

ăttic  
x | x

pīcnic  
x | x

trăffīc  
x | x

hēctīc  
x | x

mūsic  
x | x

tūnic  
x | x

When the suffix *-ing* or *-ed* is added to a word ending in c, a k must be added before the suffix. Otherwise, the word would have the rainbow s sound.

pīcnic  
x | x

picnicking

picnicked

Prove the nonsense word below. Write the word again, first with the suffix *-ing* and then with the suffix *-ed*. Underline just the suffix each time. Read each word.

\*crobic
