Cloze Passage

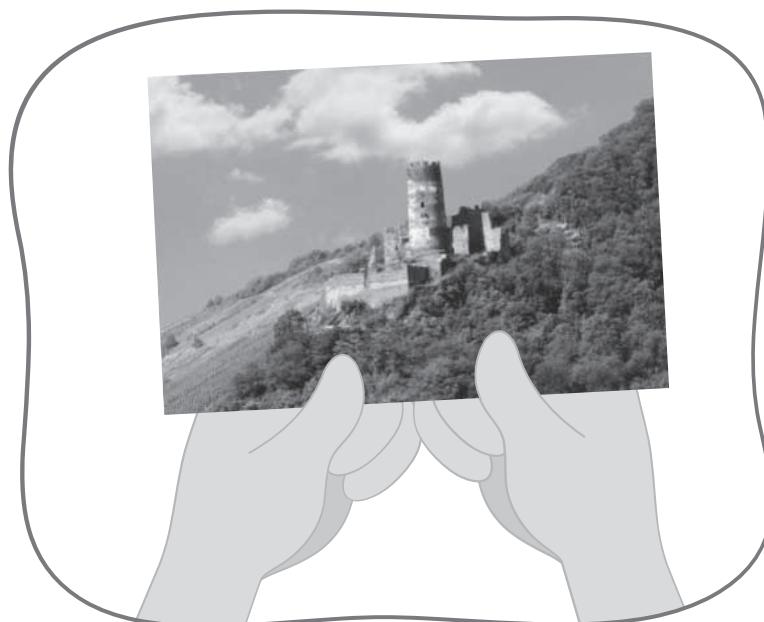

Name _____ Date _____

Based on *Reading Horizons Discovery® Little Book "Castles"*

Have you ever seen a castle like the one that Cinderella lived in? Last year, I traveled with my sister to Germany. We saw many castles that were built hundreds of years ago.

It was the custom to keep prisoners in the lowest part of some castles so they could not escape before it was time to send them to the gallows.

I was impressed by the big, stone wall that surrounded each castle. When I looked over one stone wall, I could see a little village in the valley. Old castles are fun to see.
