A Digraph is two consonants with only one consonant sound. CK is a Digraph. When c and k are together at the end of a word, it is a new spelling for the sound /k/.

### Lesson 35: Spelling with -CK

The Digraph *ck* has the sound of /k/. It comes only at the ends of words. When you hear a word with a short vowel sound followed by the /k/ sound, the /k/ is spelled *-ck*.

Copy, prove, and read the following words. (Remember, the *-ck* makes one consonant sound, so it has only one guardian star).
